

Ophthalmology for Pediatricians, Primary Care Physicians, and Other Allied Health Professionals 2025

Originally Presented: Saturday, January 25, 2025

Wills Eye Auditorium

Conference Description:

This course is designed to update the pediatrician, primary care physician, allied health professional and ophthalmologist on common ocular problems in the pediatric age group. Emphasis will be on techniques for vision screening to detect amblyopia and strabismus. Diagnosis and treatment of eye infections and the red eye in children will be discussed. New technologies to help the visually impaired will be presented.

At the conclusion of the course, participants should be able to:

- 1 Implement techniques to screen children for cortical visual impairment
- 2 Employ new technologies in treatment of amblyopia
- 3 Discuss peer recommendations regarding the diagnosis and treatment of red eye in children

Accreditation Statement:

The Wills Eye Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Statement Designation:

Wills Eye Hospital designates this Live Activity for a maximum of 3.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement:

It is the policy of Wills Eye Hospital that the information presented at Wills Eye Hospital's CME activities will be commercially unbiased and based on scientific and clinical evidence. To help participants make judgments about the presence of commercial bias, Wills Eye Hospital provides information that planners and speakers have disclosed about financial relationships they have with commercial entities that produce, market, re-sell, or distribute health care goods or services consumed by, or used on, patients. All relevant financial relationships have been mitigated.
