

Instructions to access and complete activity tests.

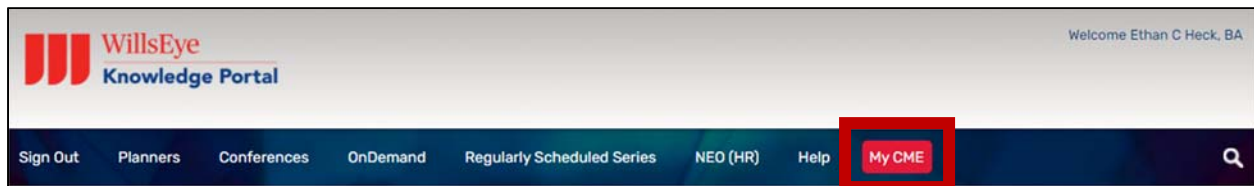

Via computer

Step 1: Go to: <https://willseye.cloud-cme.com/>

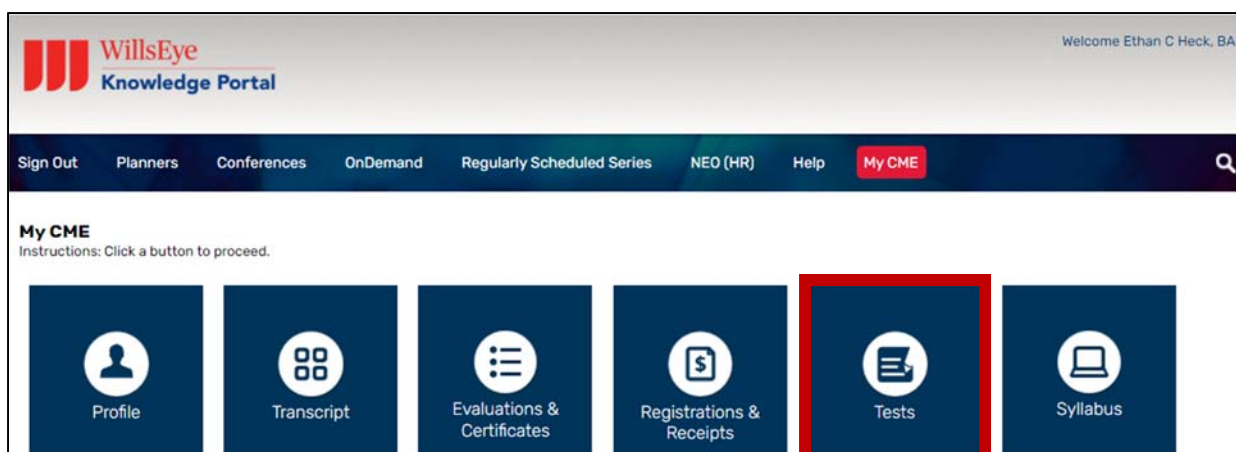

Step 2: Click "Sign In" on the top left, and sign in using your email address and password. If you do not already have an account, click "Sign Up Now."

Step 3: Click the "My CME" or "My CE" button on the top right-hand side of the screen.

Step 4: Click the "Tests" button.

Step 5: Locate the activity and click the “Pre-Test” or “Post-Test” button.

New Employee Orientation

Key Employee Policies and Procedures

This section of the new employee orientation outlines the Hospital's key policies and procedures. Please remember to complete the post-module assessment.

 LAUNCH VIDEO  POST-TEST

Step 6: Complete the test. Once you have completed the activity test, the button will update to “Test Complete.” You can view your test results by clicking the “Test Results” button. You can print or download your test results. Oftentimes, there is an additional button so that you may view activity content.

Via CloudCME App

Step 1: Open the **CloudCME®** App.

The screenshot shows the CloudCME app interface. At the top is a blue header with a cloud icon and a question mark. Below the header is the CloudCME logo. The main text reads: "To get started, please enter the organization code provided by your administrator." There is a text input field containing "WillsEye" and a "Verify My Organization" button below it.

Step 2: Login using your email address and password.

< > Back to CloudCME

Enter your email and password to login:
